APRONS AND COMBOS

THE INDUSTRY

STANDARD

BALLISTIC POLY > POLYESTER > LEATHER

General contractor, carpenter, electrician, construction worker, we make an apron or combo that will fit your needs. Packed with features, our tool belts are depended upon by more tradesmen than any other brand. They appreciate CLC's quality, value, and features, like our patented pouch handles, our gusset pocket design, variety of pouches, belts, and tool holders. We're always thinking about how the job gets done, and we build our belts accordingly.

CHEMICAL / DISPOSABLE

When handling chemicals, it's always a good habit to wear the appropriate gloves and eye protection. We carry a number of chemical resistant gloves, both reusable and disposable. Matching the type of glove to the chemical exposure is key. We make gloves made of PVC, Nitrile and Latex, in coverage lengths from wrist to gauntlet so the correct glove can be chosen for the required application.
